

VacSwim April and July 2026 programs Fact sheet

To help us determine the best option for your child to learn how to swim, we are trialling additional VacSwim programs during the April and July holidays. This will help us understand how to make it easier for local families to get involved while enjoying the milder weather.

This trial program in Derby and Wickham is an additional service option designed to provide more flexibility. Please note that this is a supplement to our regular schedule and it is not a replacement for the October or summer programs, which will continue as planned.
