

WA Schools' Senior Concert Band Festival 2022

INFORMATION FOR BANDS

Holding Rooms

Please be aware that other groups may require the holding room before and/or after your ensemble - check the Running Order and plan arrival and departure times carefully. The director or school music teacher must be present in the holding room at all times while students are using it. Each room will provide an open space for warming up and tuning. Music folders, instrument cases and equipment should be clearly labeled. **Please ensure that no food or drink is consumed in the room.** A thorough check should be made before the room is vacated to make sure it is tidy and no belongings have been left.

Movement to Stage, One on One Conductor Feedback and Official Photograph

- A Marshall will collect each band from its holding room **ten minutes** before it is due to play.
- After performing (and participating in workshop if applicable), students will listen to the following band perform. If you have selected **one on one conductor's feedback**, please note, this year it is not live (in person). It will be included in your package with your certificate etc. in digital format.
- After you & your students have watched the performance of the following band (not workshop), you will then move to the Choral Studio for an official **Band Festival Photograph** before returning to the holding rooms to collect belongings. Order forms will be available in the official program as well as directly from the photographer.

The Performance and Adjudication

There will be time to have a very short final tune-up on stage before commencing the performance for adjudication. The adjudicators need time to complete their comments on one piece before the next one is played. **A bell will sound** when the adjudicators are ready for you to begin each piece. If you are participating in a workshop, please remain on stage after your performance. **All groups (performance and workshop) will be required to exit stage into the audience and listen to the following group's performance before being escorted to their official photograph.**

Seating Plan & Equipment

The attached seating plan will be used on stage for all bands (please note the slightly different plans for Auditorium & Concert Hall venues). The percussion and rear row of seats are on risers at the rear of the stage. An optional conductor's rostrum will be available. Any additional seats can be **added** to the basic plan. A keyboard and dual-input amplifier with a single lead will be supplied - additional leads must be provided by participants. Bands will not be permitted to supply their own keyboard/amplifier. Sticks and beaters are not provided for any of the percussion instruments. The provision of small auxiliary percussion instruments are the responsibility of each ensemble. There is a piano on stage to the conductor's left, only. It may be a good idea to have final rehearsals at school with this seating arrangement. If, for any reason, your band can't adapt to this plan please contact Tanya Chapman at IMSS Tanya.Chapman@education.wa.edu.au **well before** the festival.

Listening to Other Bands

Your group will be required to listen to the following group's performance before exiting for your official photograph. Please stress to band members that there must be absolutely **no movement in the Auditorium/Concert Hall while another group is playing. They may only enter/exit during the changeover period.**

Festival Admission - \$7.00 Adults & \$5.00 Concession

Performers and directors will be admitted without charge into the Concert Hall/Auditorium. Please invite parents and friends to come along. Programs will also be on sale at the ticket office. A kiosk for refreshments will be open from 30 minutes before the start of each session.

Parking

Free parking for performers and audience is indicated on the included map – please follow the directions for parking on the Upper Oval on the day.

Bus Parking

Buses should either park on Lucca Street or drop students off at the venue and then park 400m south on Tuscany Way, where there is more street parking. **Please do not contact Churchlands Senior High School about bus parking.**
