

Complaint handling framework

We are committed to providing quality education to all students in a safe, inclusive and caring learning environment. We value working together with parents and families as critical partners in student learning outcomes.

Communication between you and your school is an important part of your child's education. You should feel confident that we will listen and respond to your concerns, and work with you to resolve complaints.

Types of issues

Enquiry – when asking for information;

Concern – when raising a matter of interest informally to provide feedback or get clarification; or

Complaint – an expression of dissatisfaction that relates to a product or service. Where a response or resolution is expected.

You can make a complaint about:

- the provision of education
- any decision, including those about enrolment or support for your child's learning
- our policies or procedures
- the conduct or behaviour of a staff member.

This complaints process cannot be used for:

- Public Interest Disclosures (Whistle blower)
- Disputes and grievances between staff members
- Mandatory reporting responsibilities (Mandatory reporting legislation requires only specific people or professionals to report suspected child sexual abuse)
- Matters relating to family court (e.g. restraining orders, access agreements)
- Complaints relating to Catholic and independent schools, or other government agencies

Make a complaint

Raise the matter with the school principal if:

- you were not able to achieve a satisfactory outcome with the teacher or other staff member;
- the matter is about the conduct of a teacher or other member of the school staff; or
- the matter is about another aspect of school life that is impacting your child's education.

Raise the matter with the Education Regional Office if:

- you believe that your concern was not satisfactorily resolved or addressed by the school; or
- the matter is about the conduct of the principal.
