1. SECONDARY ASSISTANCE SCHEME

The Western Australian Government, through the Department of Education, provides financial support to eligible parents through the Secondary Assistance Scheme (SAS). The aim of this scheme is to assist low-income families with secondary schooling costs.

SAS comprises of 2 allowances (as per table below):

- Education Program Allowance (EPA); and
- Clothing Allowance.

	Education Program Allowance	Clothing Allowance
PUBLIC SCHOOLS	\$235 <i>payment to school</i>	\$115 <i>payment to parent/guardian or school</i>
NON GOVERNMENT SCHOOLS	\$235 <i>payment to school</i>	\$115 <i>payment to parent/guardian</i>
HOME EDUCATION	\$235 <i>payment to parent/guardian</i>	\$115 <i>payment to parent/guardian</i>

1.1 PARENT/GUARDIAN CONCESSION CARD DETAILS

A Parent/Guardian may apply for the Secondary Assistance Scheme if they hold one of the following cards:

- Services Australia (Centrelink) Pensioner Concession Card,
- Services Australia (Centrelink) Health Care Card, or
- Department of Veterans' Affairs Pensioner Concession Card (TPI and gold cards cannot be accepted as they are issued for medical benefit purposes only and not income tested).

Cards must meet the following requirements:

- Valid for a period of no less than four weeks.
- Valid at the time of SAS application (cannot use an expired concession card to apply for SAS).
- Valid sometime within Term 1 (2 February 2026 – 2 April 2026).
 - For applicants who have arrived from overseas and applying throughout the year, the card must be current at the time of application. Application for the Secondary Assistance Scheme must be made within one month of enrolling at the school, or two months for extenuating circumstances (e.g. Centrelink processing concession card).
 - For interstate applicants, the card must be valid sometime within Term 1.
- Students must be listed on parent/guardian concession card.
- Years 11 and 12 students may not be listed on the parent/guardian concession card. In these circumstances, both the parent/guardian concession card and student concession card must be produced to prove eligibility.

Applications must be completed annually in Term 1 (an application does not automatically cover all secondary school years).

Independent students may also apply using their own Centrelink Health Care Card when declared independent by Centrelink (e.g. living away from home). In this instance, a letter of confirmation of independence status from Centrelink is to accompany the application.

Where a student, meeting all other SAS eligibility, is in receipt of the Centrelink Parent Payment, the student is deemed an adult (as they are now responsible for a child) and must complete the application form as both parent and student.

1.2 PUBLIC SCHOOLS

Secondary Assistance Scheme applications for parents/guardians with students enrolled at public schools must be obtained from the school. Applications completed prior to the start of Term 1, 2026 cannot be submitted to the Department until the commencement of Term 1 to confirm the student's enrolment and attendance at the school.

Applications must be completed annually at the school or emailed to the school in Term 1 (an application does not automatically cover all secondary school years). If applying via email, applicants must also email a copy of both sides of the applicable concession card with the application to the school.

1.2.1 ELIGIBILITY

To claim the public schools Secondary Assistance Scheme allowance, an applicant must satisfy the following eligibility requirements:

- The Parent/Guardian holds an eligible concession card and the student/s being claimed is/are listed on the card. (Refer to section 1.1 for exceptions)
- The student is enrolled in Years 7 to 12, attending and studying a full-time secondary course in a Western Australian public school, where education program charges and/or voluntary contributions apply.
- Applicants may be eligible up to and including the year the student turns 18 i.e. not eligible if born in 2007 or before.
- The applicant must not have previously received the allowance for the same student enrolled at another school in the same year.
- The allowance for the student has not previously been claimed by another parent/guardian in the same year.
- Students who have their own Health Care Card and are financially dependent on their parent/guardian may not apply (the application is to be made by the parent/guardian only unless the student is declared independent by Centrelink). (Refer to section 1.1).
- The applicant is not a foster parent. Foster parents cannot apply as the child is a Child in Care of the Department of Communities Child Protection, which is responsible for all associated costs.

1.2.2 EDUCATION PROGRAM ALLOWANCE PAYMENT

An amount of \$235 will be paid to the school for eligible parents/guardians of students in Years 7 to 12. Payments are made to schools in the April gateway and subsequent gateways as appropriate. Other payments (e.g. applications for overseas and interstate applicants made later in the school year) will be made as appropriate.

When a student enrolls at another school after the commencement of the school year, the school will transfer the unused portion to the new school through specific arrangements with parents and the schools concerned.

The Education Program Allowance (EPA) will be paid directly to the school and in the first instance, will be applied towards education program charges. If the education program charges are less than \$235, the difference will be applied to the voluntary contribution for Years 7 to 10, or as negotiated with the parent/guardian for Years 11 to 12.

Applications submitted for students who have transferred from interstate or arrived from overseas who enrol during the year after Term 1 will receive a pro-rata Education Program Allowance payment of \$58.75 per term enrolled.

Alternatively, parents can nominate the Clothing Allowance be paid directly to the school, to be applied towards uniforms, the voluntary contribution, charges, voluntary approved requests or personal items.

If the student leaves the school during the year, any remaining unused clothing allowance funds can be forwarded to the new Western Australian school or refunded to the parent. Parents must be consulted on the treatment of the remaining funds.
