- Approval is a privilege (not a right) and may be removed by the College Manager at any point and for any reason.
- A current and valid driver's licence will be held by the student (a copy to be included with this application).
- The vehicle will be driven in a safe and careful manner at all times.
- The keys to the vehicle will be provided to staff immediately after the vehicle is parked on site.
- Vehicles are parked entirely at the car owner's risk.
- We will immediately remove the vehicle either temporarily or permanently if requested to do so by staff.
- Other than siblings, passengers are not carried unless prior written permission has been granted by the parent of the driver, the parent of the passenger and the College Manager (please use the Application to drive a passenger form).
- A maximum of two (2) non-sibling passengers may be carried. This number is reduced for every sibling carried.
