The table above indicates the State Government's commitment to recognise the extra costs in educating a student with a disability.

The table shows the amount paid at 110%, 210% or 360% of the Per Capita Grant, based on the degree of recognised disability (e.g. Mild, Moderate or Severe). This funding is in addition to the normal Per Capita Grant provided for a Non-Government School student.

A "High Support Needs" Grant is available for students with very severe disabilities, subject to assessment. The 2021 rate is \$14,011 for Kindergarten students and \$35,026 for Compulsory Primary, Middle School and Upper Secondary students.
