Year 12s dressing up for muck up week.

Dear parents, carers, staff and students

Just a quick reminder that the Esperance Agricultural Show starts this Friday. There is no school, however the College is open. The College remains open for the duration of Term 4. Students will be provided with a time table of drop off and pick up times. The College has a promotional booth in the indoor stadium so drop in and say hello.

Welcome back to the College to Andrea Hearn who was managing Narrogin Residential College and Tracey Bishop our Manager Corporate Services who was on extended holiday break.

The College tutors have changed days and are available on either a Monday or Thursday. Please see Tom or Tara, as they've been amazing support to our ATAR students. Good luck to the year 12s who will have their final exams in the next few weeks. Also to our Year 11 VET students who finish on 17 November.
