

## DOWNLOADING COUNTRY BOOKLET AND MASTER FORMS

A new feature of our website is the inclusion of downloadable versions of the Organisational and Administrative Guidelines booklet and all master forms. We have had some minor changes to some of our forms. You can access all the Country Intern Swimming forms at [education.wa.edu.au/swimming](http://education.wa.edu.au/swimming) choose the *Interm swimming – School based program* tab, scroll down to the *Administrative Guidelines* link and then choose the *Country – Master Forms* link. The *Country* link above this one is where you can find the guidelines booklet.
