

# Mission, Vision, Values, Goals

## Mission

Staff at Albany Residential College will collaborate in a positive and constructive way to support the students residing here.

- We will adhere to our values as a team and aspire to achieving our goals to fully realise our vision for the college

## Vision

All students will have a positive boarding experience that promotes their overall growth and education while ensuring equity for everyone.

- This will be achieved by all team members adhering to the college values and aspiring to achieve our goals.

## Values

**Respect** – All members of the team have the right to be respected.

**Teamwork** – We will work together as a team to spread the workload and aim for equity.

**Trust** – We will build trust with each other as professionals.

**Growth** – We will look to grow as professionals and be aspirational with our goals.

## Goals

To carry out our mission and make progress towards our vision, we will aspire to the following:

- **Communication** – Enhance communication to ensure all team members are well-informed and able to perform their roles effectively.
- **Professional Transparency** – The team will be kept informed of key developments and leadership decisions to promote equity and enable them to perform their roles effectively.
- **Equity** – Workload will be distributed fairly across all roles to ensure team members experience equitable and balanced outcomes.
