

Your child's happiness and wellbeing is at the heart of everything we do.

Supervision

You can be confident that your child will get the highest standard of care while boarding at the college. Experienced and qualified staff support your child's learning and personal development throughout the school year. Staff are on-site 24 hours a day to ensure students are well supervised and their needs are met.

The college manager and supervisors work as a team to create a home away from home where students have a successful and memorable boarding experience.

Financial support

Your child may be eligible for financial assistance to reduce the cost of boarding. Visit our website for more information about fees and assistance.

For more information

If you would like a tour of the college or would like more information, please contact the college manager.

City Beach Residential College

Boarding for gifted
and talented students

Your child can live in a residential college that nurtures their gift and extends their talent.

Boarding for Gifted and Talented students

City Beach Residential College provides boarding specifically designed for students who gain offers from selective schools as a result of the Gifted and Talented exam.

Boarding at the college

The college provides boarding for up to 66 country students who attend Perth Modern School, John Curtin College of the Arts and other metropolitan schools with Gifted and Talented Secondary Selective Programs.

As a boarder, your child will be encouraged to foster:

- their creativity and independence
- an interest in others and the world around them
- a passion for learning and extending their talent.

They will also have the opportunity to develop a wide circle of like-minded friends who will support and encourage them through their challenging and fulfilling study program.

Your child can benefit from all that Perth has to offer while living close to bushland and the ocean.

Accommodation and facilities

Your child can enjoy modern and comfortable accommodation in a bushland setting. They will live in one of the college's 10 townhouses, sharing with up to six other students of the same gender and similar age.

Each townhouse has six large bedrooms, a lounge room, three bathrooms, kitchenette and unlimited wireless internet connection.

All bedrooms are furnished with a long single bed, study desk, wardrobe and split system air-conditioning.

Whilst at the college, your child will have access to an indoor sports hall, sporting ovals, indoor recreation and games room, gymnasium, basketball court, dedicated private tutoring/study spaces, acoustically designed and insulated music rooms, and much more.

Location

The college is situated in City Beach approximately 15 minutes from Perth's CBD. It is close to beaches, reserves and community facilities.

A healthy balance between study and recreation is promoted so your child enjoys life as a boarder.

Study

As a boarder, your child's education is supported by compulsory study times that align with the recommendations of their school.

Year 7 to 9 students have access to a tutor and are supervised during their study periods.

Year 10 to 12 students are offered both tutoring and study skills sessions in the lead-up to exams to complement their outstanding education.

Recreation

The college offers a wide variety of recreational activities during the week and at weekends. These activities are run at the college and off-site. Usually they require no additional financial contribution.

While at the college, your child is encouraged to continue sport and social clubs they have enjoyed while at home. College staff are happy to assist your child with joining nearby clubs.
