Dear parents, carers, staff and students

This week is another busy week as we welcome Pauline and Carol back to work on art projects throughout the week. Also on Wednesday night we have a culture camp at the College and cooking damper on the fire pit out front.

Tom and Tara our tutors will also be available.

If all that's not enough, this week as students clean out their rooms (year 11s finish next week), there is an opportunity to do a clothes swap. On Saturday we are selling old furniture etc. from the Rec shed as part of the Monster Garage sale throughout Esperance and over two weekends.

**ART and Resiliency
workshops this week
with Pauline and
Carol.**

**Tuesday, Wednesday
and Thursday
