WELCOME TO BROOME RESIDENTIAL COLLEGE

Thank you for choosing Broome Residential College for your child.

We look forward to working with you to support our students and watch them grow over the years to come. All college staff are committed to providing a safe and caring environment to support your child in their education and personal development.

We aim to provide a high-quality boarding service which is valued by you and your children. Your suggestions on how we can improve our service are always welcome.

About us

Broome Residential College provides a high level of care to meet the social, mental, and physical needs of students from rural and remote communities primarily within the Kimberley Region of WA. This ensures students have every opportunity to be successful in their secondary schooling while still being relatively close to home and family. The college provides a safe, fun, and healthy boarding environment where students learn to socialize with their peers and develop the skills required in readiness to learn.

Broome Residential College was established in Broome in 2007 with accommodation for 72 students. The \$11.5 million Stage Two built at the college, which reached practical completion in December 2016, increased the capacity from 72 to 104 places, as well as the addition of a new recreation facility, purpose-built junior dorms, a fully covered basketball court and swimming pool and new staff accommodation.

Accommodation for students is spread across 6 dormitories. Senior Girls and Senior Boys (Years 11 & 12), Middle Girls and Boys (Years 9 & 10) and Junior Girls and Boys (Years 7 & 8) Sleepover facilities for staff are in the junior dorms to ensure our youngest students have access to staff at any time day or night. Access to staff for Middle and Senior students is via internal phone. All dormitories have CCTV and are alarmed for safety.

Our students can access schooling at either Broome Senior High School or St Mary's Catholic College. Both of which are close by. As are the beautiful Cable and Riddell's beaches, Entrance Point and other beautiful spots Broome is famous for.

At the college, we acknowledge the First Nation People on whose land we live, learn, and work on and celebrate the diversity of peoples, that is the Broome Culture. We ensure our students can access cultural, spiritual and community occasions. We expect all to participate in activities and excursions that are planned daily to promote health and fitness (and ease homesickness), to do their best at learning and study and to learn resilience and independence.

The challenges that students meet at Broome Residential College and the support they receive have a common purpose; to assist their development as individuals and as members of society. The college seeks to graduate young people whose creativity and independence, whose interest in others and the world around them surpass their self-concern, and whose passion for learning takes them into an interesting and productive life.

Broome Residential College strives to create an environment that cherishes both the individual and a strong sense of community. We must promote friendship, honesty, generosity of spirit, and concern for others. Students must learn to make personal decisions regarding time, to care for their own physical and emotional well-being, and to balance work and leisure. The opportunity to live together in a residential college should help students look beyond themselves, realize there is a big world for them to explore and to take their learning home to benefit others.

The college seeks to provide the highest standard of care and supervision. Experienced and qualified staff employed by the Western Australian Department of Education as live in Supervisor's care for all students and support them with their learning and personal development. Residential college staff are warm and caring people who enjoy working with students and their parents to create a memorable boarding experience and friendships that last a lifetime

Our staff

The functions of the LINC committee are set through legislation and include the provision of advice to the college manager regarding the operation and management of the college. Please speak with us if you would like to join this important advisory group.

Our code of conduct

The Residential College Code of Conduct (the Code), reproduced in the Appendix, sets out some simple expectations for students:

- In respect to staff
- In respect to property.

When signing the Boarding Agreement for your child, you are undertaking that your child will comply with the Code.

When your child signs the Boarding Agreement, they agree they have read, understood, and will follow the Code; and understand that there may be consequences for breaches.

Positive Behaviour Support (PBS) Program

We are committed to the PBS program which supports the implementation of the Department of Education's *Student Behaviour in Public Schools Policy and Procedures*. Our goal is to create a safe, positive environment where students are engaged and successful.

The Positive Behaviour Support (PBS) Program rewards positive behaviour at the College. The objective is to reward often and advise the student of the behaviour being recognised. The philosophy behind the PBS Program is that when students are rewarded for positive behaviour, negative behaviours will be reduced.

LEARNING SUPPORT

The main reason a student boards with us is their desire to access a quality education. At Broome Residential College we support students to achieve their academic goals.

Please note that residential college staff are not authorised to sign school documentation on parents' behalf. Should a student receive a school form or permission slip, you will need to sign and return to the school.

Homework and study

Students are invited to practise sound study habits and be respectful of other students' needs for a distraction free environment.

We have multiple computers that students can use for study each afternoon. We also have multiple quiet spaces around the college where students get study in quiet.

Broome Senior High School and St Marys College both offer after school homework sessions with teachers present. If parents/students wish to attend this we will support the student in getting to and from these sessions.

Students are expected to work constructively during these study times and may need to dedicate extra effort outside of these times to complete all academic requirements.

Term 3 school holidays ATAR exams

Some ATAR exams take place during the Term 3 school holiday period. With sufficient advanced notice, we may be able to arrange a modified boarding service during this time to facilitate those students requiring accommodation in order to attend exams. Please request this service by the first day of Term 3 should you require it.

Music practice

At the College we have a fully equipped sound-proofed music room. We have a range of guitars, drums, ukuleles, microphones, etc that the students can use each afternoon and during the weekend.

Tutoring

If students require additional help with their schooling, they should always avail themselves of the school programs on offer. If students are unable to attend these, or if what is offered by the school and college is not sufficient, you may consider engaging a private tutor. Private tutoring costs are not covered by student boarding fees, but college staff will assist in finding a suitable place for private tutoring to occur.

Computers and internet access

We have 9 computers available for students to do their homework on in a private study room. These are available to use:

Mon, Wed: 4:00pm-5:00pm

Tues, Thurs: 6:30pm-7:30pm

Fri: 3:30pm-5:00pm & 6:30pm-7:30pm

Sat: 1:00pm-5:00pm & 6:30pm-7:30pm

Sun: 1:00pm-5:00pm

We also have student WIFI available throughout the college that the students can connect to if they need.

College internet is set up for students to be able to study and research their required schoolwork.

There is also scope for students to use the network for reasonable personal use. Students are discouraged from using the college network for online gaming and/or streaming which may slow user speeds for others.

To access college internet, you and your child will sign an Online Services Acceptable Use Agreement setting out rules surrounding Department of Education-provided online services.

Extended school absences

We provide a boarding service for students while they attend, and participate in an educational programme of, a school. If your child is expected to be absent from school for an extended period, they will be required to return home until they are able to resume their schooling.

Reasons that students may be absent from school and required to return home include:

- they have been suspended from school
- they have an infectious disease such as flu or COVID-19
- they have a long-term illness/injury.

If you are unable to collect your child, you may alternatively arrange for their travel home by other means or arrange for them to stay with a local contact or guardian.

Students absent from school for short periods of time due to illness will be confined to the colleges' sick bay.

Student room searches

To ensure the health and safety of students, college staff may search student rooms if they have sufficient reason to do so. Room searches may occur for many reasons, including when staff believe:

- a student is at risk of self-harm
- dangerous or banned items or illegal substances may be in the college
- a student may be in possession of stolen property.

Confiscated items will generally be given to you or returned to your child to take home, unless it has been delivered into the custody of the Police.

Student mail

We may contact you if your child receives mail/delivery that we believe looks suspicious or may contain contraband. We may ask your child to open the package in front of a staff member, or we may choose to provide the unopened package to you, but we will not open it.

LEAVE ARRANGEMENTS

A record of students' whereabouts is maintained through the Reach Boarding school software. When leaving and returning to the college, students must 'sign out' and 'sign in' through the Reach system. Leave requests must be entered into and approved through Reach.

Leave while under college care

Different leave arrangements enable students to participate in a range of sporting, cultural and social activities held outside school hours and away from the residential college.

Leaving residential college grounds

Except when leaving to attend school, students must receive permission from a supervisor before leaving the residential college grounds. Supervisors may revoke approval to leave the college grounds for disciplinary reasons.

Shopping trips

Supervisors will be present on these trips however they are not always directly with the students at all times and students are expected to be an ambassador of the residential college and behave in line with the Code of Conduct.

Casual Employment Leave

After consultation between parents, the student and the college manager, your child may be provided an opportunity to undertake a limited amount of casual employment. While the college may be able to assist with transportation on occasions, this may not always be possible, and parents should ensure alternative transport options are available.

Leave under another's care

Students are provided with seven-day care throughout the school term, however, we do support and encourage students to spend time with family and friends wherever possible.

College staff have a duty of care to protect students from risk of harm. We may refuse a leave request or refuse to release a student where leave has previously been approved, if we consider the host may pose a risk to your child.

If your child is unable to return on schedule, please contact college staff to let them know when they will be returning.

REACH boarding school system

Broome Residential College uses the REACH boarding school software.

Parents are required to use Reach for leave requests/approvals. Reach is designed to make the process easy for you to use at any time.

If you have any issues or queries about REACH, please contact college staff or the REACH support team at <https://reach.cloud/boarding-schools/>.

Sign out ('host') list

You can add any number of trusted adults ('hosts') into REACH that you can approve your child to go on leave with. It is recommended for ease of use to pre-load Reach with as many 'hosts' as possible to eliminate the need to enter all the details each time a leave request is submitted.

Leave requests

Leave requests are fully automated in REACH. Once a leave request has been submitted, a sequence of permissions is required from parents and college staff for leave to be approved.

A minimum of 24 hours' notice of your child's leave plans are required unless there are exceptional circumstances. This allows us to better plan for and cater to all students at the college.

'Day leave'

Students may go on day leave but must return to the college by 7:00 pm Sunday to Thursday and Friday and Saturday.

'Overnight leave'

Students are permitted weekend overnight leave to return home or spend the weekend away from the college. It is preferred that they return by 7:00 pm Sunday night.

Overnight leave on a school night is discouraged and generally will only be granted for school purposes or to stay with parents or immediate family.

STUDENT TRANSPORT

The college may provide transport for students in and around town where practicable, however, this service may not always be available.

Students are expected to be responsible passengers at all times.

Your child is not permitted to travel in a private vehicle unless signed out with an approved host through Reach or in writing.

It is a requirement of students that they do not enter another student's bedroom – a rare exception being that a student may invite 3 other students into their bedroom briefly, while keeping their door wide open, when there is a good reason for them to do so. This exception does not apply after lights out when all students are required to be in their own bedrooms.

Dress code

Students should be mindful that CCTV is situated throughout the college, and that a supervisor of a different gender may need to access their dormitory at any time. Other than while using the showers/bathrooms, students are to be fully and appropriately dressed while outside of their bedrooms. Meal requirements outside of regular mealtimes

Fruit, water, and hot drinks are available at any time.

Students can order a late or early packed meal if they will not be present at a mealtime (e.g. for sports training or medical appointments). In most instances staff should be able to arrange these meals, but students should order these well ahead and notify staff if they need one.

Meals must be consumed in the dining room and are not to be taken into student bedrooms or common areas.

Personal food and snacks

Food snacks can be purchased or sent from home but for hygiene reasons are best kept in sealed containers. Students can store this in the office or kitchen fridge and personal pigeonholes. Energy drinks, caffeinated drinks and chewing gum are banned from the college.

Recreation and Social

We aim to provide a range of activities while also allowing for individual needs.

Please note that charges may apply to some activities. We do not seek to profit from these events and your child's participation in any activity requiring payment is at your discretion.

Dependent on the time of year we do many beach outings for swimming, walking, kite flying, football, etc.

We also do regular trips to the local outdoor cinema, rent out the inflatable obstacle at the Broome Aquatic centre, go to town beach to play basketball or to the jetty for fishing trips.

We try to hold a big colour run/ water-based obstacle course once a year and set up the slip and slide on the grass.

During the warmer months we set up the arts and crafts tables and do a range of activities from painting, tie dying, jewellery making embroidery, etc. We are very open to suggestions from students if there are any activities, they would like us to get involved in.

Sport and hobbies

Students are encouraged to participate in a range of individual and team sports and hobbies according to their interests. We do this to promote fitness, fun and social interaction.

- The college organises a wide variety of fun activities throughout the year.
- Details of local sporting clubs and associations can be supplied by college staff if required.
- Students will need to meet the cost of any membership fees, personal equipment, and uniforms.

The college welcomes suggestions for activities from students and parents, and we will endeavour to accommodate all reasonable requests.

The college may organise camps and outings throughout the year. These activities are voluntary and there is no obligation for your child to participate. You will be asked to provide written permission for your child to attend.

Swimming pool and recreation room

Students are encouraged to make good use of college facilities. Students are expected to look after the equipment and observe the user requirements on display.

Movies and gaming

Personal gaming consoles are not permitted at the college however college owned consoles are available for use during gaming times. Students may attend the cinema on weekends at their own cost to see approved films. Students can also select films that they would like to have shown in-house.

The college requires media (television, movies, computer games, DVDs, magazines etc.) accessed by your child whilst boarding at Broome Residential College to be consistent with Australian Government classification ratings for films and computer games.

The college permits content rated G, PG and M. All content remains at the discretion of college staff and will be removed or confiscated if it is deemed inappropriate. Material rated MA15+ does not reflect the values of Broome Residential College and is banned.

To ensure the safety of students, all visitors must enter and leave through the reception area and sign in through the iPad at reception.

Visitors are permitted in the office area. They may walk around college grounds if accompanied by a staff member.

Visitors are not permitted to enter student dormitories other than on approved dates and times – usually at the start and end of each term. We appreciate parent support in helping students settle into their rooms at the start of the year. We remind all parents that other than at these times, access past the reception area is not permitted unless accompanied by a staff member.

Students are welcome to invite their school friends to visit the college. Friends are also required to sign in on the iPad and are not permitted in the student dormitories. Students' friends are required to follow staff instructions whilst on college grounds.

Chores

Students will be required to work as a team to assist around the college with simple duties such as:

- tidying common rooms or other sections of the college
- loading the dishwashers after meals
- simple gardening.

Assisting the cleaning, kitchen and grounds staff replicates what students may be expected to do at home. It encourages cooperation and provides some practical domestic skills for when they leave home.

Laundry

The college offers a laundry service for all middle and junior students personal washing.

Juniors can put their personal washing out any morning Mon-Fri. Middle boarders can put their personal washing out 2 mornings per week.

Supervisors will wash all middle and junior students uniforms each afternoon.

We also have washing machines and driers in the senior dorms and they are able to wash all personal clothes and uniforms whenever needed. All bed linen and towels get sent away once a week to a laundry mat to be cleaned.

Religious freedom

Under the *School Education Act 1999* the curriculum and teaching in government schools is not to promote any particular religious practice, denomination, or sect. We also adhere to this principle at Broome Residential College.

The college supports students who wish to practise their beliefs. Staff will assist where possible for your child to attend any religious services and cultural events they choose.

HEALTH AND SAFETY

Student health

Our staff care for your child's health and wellbeing and all supervisors have a First Aid Certificate. When we offer a place at the college, we ask that you complete a 'Student Health Care Summary' form so that college staff have the knowledge to support the management of your child's health care needs. If your child's health changes at any time, it is essential you inform our staff.

Unwell students

Students who are too sick to go to school will be confined to bed in the sick bay and will be excused from normal activities until they are well. College staff will contact you and your child's school to notify them of the absence. If a doctor's appointment is necessary, we will organise for this and notify you at the earliest convenience.

For the protection of all students and staff, any child with symptoms of an infectious disease (e.g. COVID-19, influenza, chicken pox, measles) must return home until they are no longer contagious. If your child is not able to attend school because they are unwell, then they will be required to return home.

Medical appointments

We work with all our families to help maintain the health of students. Please advise us if your child requires a medical appointment and we can make one for you.

All medical expenses, including the cost of an ambulance in an emergency, remain the responsibility of parents. You may choose to take out insurance, including ambulance cover, for your child's health needs.

Cancellation of ambulance call-out by parents

We have a duty of care for our students. If we call an ambulance for a student at risk, but when parents are contacted they request cancellation, we will not do so until parents arrive and the student is handed into their care.

Medication

'Medication' includes those that are prescribed, purchased 'over the counter' and those that may be considered supplements. Examples include Panadol, Nurofen, antibiotics, anti anxiety medications, melatonin, Ritalin or other medications used to treat ADD/ADHD, birth control, herbal remedies, iron tablets, vitamins and hay fever/allergy relief.

Medications carry inherent risk – both to the individual they are prescribed for, and to others. For the safety of all, students are not permitted to keep any medications in their bedrooms and/or to self administer, unless approved by the College Manager.

Whenever a student requires medication, it must be administered and recorded by our staff.

While our staff will be able to assist with most medications, this may not be possible for every medication.

If your child requires medication as a short or long-term measure, you are required to complete an administration of medication form.

To ensure medications and dosages are appropriate, we require all medications to be provided to the college in a webster pack. Your local chemist/pharmacy will be able to do this for you.

For those medications which cannot be supplied in a webster pack, the college may require confirmation from a doctor or pharmacist that it is medically required along with written instructions as to the dosage and how it is to be administered.

If the college is unable to assist your child with a specific medication, your child may be required to return home until such time as the medication is no longer required.

All student medications are kept in their personal pigeonholes in the office or in the office fridge if refrigeration is required.

There is a Defibrillator located in the front office.

Mental Health

Our supervisors keep a close watch on all our students' mental health, and we will speak with you if we have any reason to feel concerned about your child. We also have regular organised access to a school psychologist who works with students and staff to improve student wellbeing.

Care is taken by staff to ensure that the college is a safe and comfortable place for students. We have zero tolerance to bullying and any instances will be dealt with in line with the College code of conduct.

Being homesick

It is possible that students may become homesick when living away from home. Staff have a great deal of experience in assisting students and parents when students show signs of missing home. Homesickness can affect each student in different ways so there are several methods used by staff to support and care for students. Staff work with you to help your child with coping skills and to build resilience in living in a boarding community.

CCTV

To support the safety of staff and students, CCTV is installed to provide coverage of select areas of the college.

Emergencies and accidents

The college maintains an Incident Management Plan to guide all aspects of prevention, preparedness, response, and recovery. We regularly practise evacuation and lockdown drills.

Fire Safety

The college has fire alarms, smoke detectors, fire extinguishers, and emergency evacuation plans. Students are trained in emergency evacuation procedures and practise evacuation drills regularly.

The Department of Fire and Emergency Services may charge a fee to attend premises in response to an alarm where there is no fire. Where it can be established a student has deliberately caused a false fire alarm, they may be asked to contribute to the costs of the callout.
