

2018 College 50th Anniversary

College turned 50- Many thanks to everyone who contributed to this successful event. The day started quite dramatically with our iconic Fig Tree not quite making it and having to be removed for safety reasons. What's a 50th without some drama.

Huge thanks to Mrs Barnes who turned cook for the day, Marnie Lawrance and Tracey Bishop for the many hours work on our Tea towels, Victoria Brown our Shire President for helping to bury the time capsule and the students for helping to set up and provide visitor tours. Please go to our Facebook page for more photo's.

A Word from the Manager

Dear Parents, Carers, Staff and Community

Once again Term 3 was the busiest and most social of all terms when it comes to College community. With many sports having finals, our 50th celebrations and the College Presentation and Year 12 Farewell, I don't think we could've have packed anymore into the last month. Our awards was a fantastic evening and we had easily over 120 people attend and it was a great effort by staff and students who shared many of the responsibilities in ensuring the night was filled with entertainment and ran smoothly. To all the award winners (and the many nominees) well done. There is a full wrap of winners on the next page of our newsletter.

At the start of Term 4 we will be filling the position of College Cook that was vacated when Charlotte moved to Albany. A huge thanks to Rebecca Robinson for helping the College over the last month. We want to continue our range of home cooked goodies that meet the high standards we've achieved to date.

I hope everyone enjoys a great holiday. Peter Jarzabek College Manager

It is a pity for us to have to say goodbye to many of our great students this year, as we are proud of how they have all grown and developed over the years.
