

## **PROTOCOLS FOR POLITICIANS AND CANDIDATES FOR AN ELECTION TO VISIT PUBLIC SCHOOLS IN WESTERN AUSTRALIA**

For the purpose of these protocols, the term “visitor” refers, but is not limited, a Member of Parliament (either State or Federal), and candidates for election.

Members of Parliament, need the permission of the Minister for Education and Training to visit a public school - refer to the relevant sections below.

For others, the Minister for Education and Training should be advised via the Ministerial Services Unit, as a matter of courtesy.

For official overseas visitors refer to the protocols published by the [Department of the Premier and Cabinet](#).

Any reference to an election, State or Federal, includes by-elections.

These protocols relate to public schools; it is important to note that visitors are not bound by them when visiting non-government schools.

## 3. Permission to visit a school

- 3.1 State/Federal Members of Parliament are welcome to visit schools in their own electorates and do not need to seek permission from the Office of the Western Australian Minister for Education and Training. However, Members must communicate with the principal to ensure intended visits are at a convenient time and do not disrupt the school's normal activities. In accordance with the *Visitors and Intruders on Public School Premises* policy statement 'The principal has primary responsibility for the day-to-day management and control of a school' and can negotiate a different time if the proposed schedule does not suit the school.
- 3.2 Principals must notify the regional executive director and the [Ministerial Services Unit](#) as soon as they are aware of visits by visitors other than local Members, whether or not the visitor has gained, sought or intends to seek permission from the Office of the Western Australian Minister for Education and Training.

#### **5. Protocols for the Western Australian Premier and/or Minister for Education and Training to visit a school**

5.1 A request from the Premier or the Minister for Education and Training to visit a school is received by the Ministerial Services Unit. The Ministerial Services Unit (MSU) checks with the principal whether the proposed date and time are suitable. Once a suitable date and time are confirmed, MSU requests briefings through the regional education office, which liaises directly with the principal.

5.2 A request from a principal for the Premier or the Minister for Education and Training to attend an event at a school (other than an official opening) or to visit a school must be in writing in the form of a memo from the Director General (template at [Ministerial Services Unit](#)). The principal (if an Independent Public School) or regional office (if not an Independent Public School) must forward the request to the Office of the Director General's [Correspondence Unit](#).

5.3 When a principal wishes to invite the Western Australian Minister for Education and Training to open a facility at a school, the principal must notify the [Ministerial Services Unit](#) that the facility is ready for opening. MSU liaises with the Office of the Western Australian Minister for Education and Training to arrange a mutually-agreed date and time. A formal memo is not required. The principal should initially refer to the [Official Opening of School Buildings guidelines](#) for further information.

5.4 If media attendance is required, it is usual practice for media to be invited by the Government. If the principal wishes to invite media, the principal must first telephone the Department's Media Unit (9264 5821) for advice.

6.3 Candidates have no automatic right to visit schools or meet with principals and/or school staff. It is not appropriate to acknowledge candidates at any school event.
