Term 1 Final Day

It is hard to believe that it is week four already. All our Students have settled back into College life well. There have been a few small issues (homesickness being the worst) but generally all is well.

For all parents who are unaware, Mrs Tracey Partyka has left the College to explore different career options.

We are pleased to welcome Linda Evans to our Supervisory team this term. Linda is taking a break from the kitchen so she can experience supervising.

As most parents would be aware we have modified our Prep times and location for this year. Years 7-10 are now completing Prep in the Dining Room between 7:30 and 8:30 pm. The Staff are very impressed at how well students have adapted to the changes and the increased effort being put into Prep.

Reach Boarding is being integrated into our College. Parents and students will be given log on codes over the next few weeks. This will allow parents and students to log in and submit Leave requests. In time (once we iron out all the bugs) this system will stream line the leave process and provide greater security for our students by allowing staff to locate students in real time.

The Student Canteen has purchased some new bean bag chairs for the Rec Room, students have been lounging around in them enjoying the comfort.

As usual the college swimming pool has been working overtime keeping all our students cool in this hot weather.

Ice Breaker Camp

What an awesome weekend ! Our new students had a great time on our annual Icebreaker weekend. With rock climbing, rope swings, a trip to the movies and shopping, it was an action packed weekend. A special thanks to our Prefects for all their help over the weekend.
