### Dear parents, carers, staff and students

Unfortunately we had a number of staff unavailable for various reasons, so our planned trip to Narrogin was cancelled.

Students have been very busy with weekend sports and a host of other College activities, despite the cooler weather. Please note the staff *do turn on all our heaters in the evenings and early in the mornings*. These work really well and students are not allowed their own heaters or electric blankets. However, extra blankets/doonas and school jumpers or jackets are strongly encouraged.

Students attending Country-week in week 10 please make arrangements to be picked up on the Friday night by family or sign-outs.

The pool has been a popular spot when the weather is cooler, plus winter walks around our beaches.

Friday night bonfires cooking roo tail and damper has been a real winner.
