

Here we are again at the end of Term 3. It has been a busy term adjusting to the changing face of the Residential College. Our healthy eating program has been fully integrated into the College as well as some new meal time routines. Students are enjoying the optional breakfast times from 7:30 till 8:00 am. A quick reminder that although students don't have to attend breakfast, all students are expected at lunch and dinner everyday. This is monitored heavily by the supervisors.

Sadly we will be farewelling Alice Metzke at the end of this term, she has been stolen by Head Office for a 6 month contact back filling another position. Mel Browne will be filling in for Alice while she is away, so please make yourself known to Mel when you visit the college.

We also hope to have a new male staff member starting as soon as possible.

We would like to send a big congratulations to the Toucans Hockey team for their tremendous effort in the Grand final. All the players gave everything they had till the end, unfortunately there can only be one winner but you can be proud of your awesome effort. The Lions Hockey team had a good year as well, with a lot of younger players showing great potential for the future.

Well done to all the Netball players. It was a good season and all the girls had fun.

The College is currently organising Basketball for Term 4 and looks like we will have 2 Boys and 2 Girls teams entered into the local competition.

## Reach Boarding

The Reach Boarding System is now running in our College, we would like to offer parents and students the opportunity to use the online app or portal to submit Leave Requests. The Narrogin Reach website is :

[www.narrogin.reachboarding.com.au](http://www.narrogin.reachboarding.com.au)

You can also find the Mobile App by searching the App Store for Reach Boarding Student and Parent App. If you would like to start using this service you will need a username and password. Please email Mr Jonathan Russell—  
jonathan.russell@education.wa.edu.au  
to request login information. This website has some helpful video's on using Reach.
