

Gifted and Talented Secondary Selective Entrance John Curtin College of the Arts

Media arts callback information

Year 7 entry in 2027

What the callback involves

Students may be assessed on any subject matter within media arts. No prior knowledge of the subject is necessary, and a media arts tutor will be present to explain all the assessment tasks in full.

To assist in the selection process, your child may take part in activities that include:

- story creation from a prompt
- communicating ideas through writing or visual imagery
- analysing existing media texts.

What to bring

- A bottle of water.
- A printed copy of the adjusted conditions approval email (if applicable and only if you have not already provided this).
- A printed copy of your child's most recent school report (only if you have not already provided this).

Adjusted testing conditions

If your child has been approved for adjusted testing conditions, let the sign-in staff know that you have been approved for adjusted conditions and bring a copy of the printed adjusted conditions if not previously provided during the workshop.

On the test day

Upon arrival to John Curtin College of the Arts, locate and follow the signs to the media arts registration desk, sign-in your child and provide the required forms to the registration staff. If your child has any health conditions that staff should be aware of, please inform the team at this time.

At the scheduled finish time, please return to the registration desk to sign-out and collect your child.

What happens next

If your child is successful in the callback, they will be invited to an interview at John Curtin College of the Arts which are scheduled to take place during Term 2. You will be contacted directly by the school early in Term 2.

Students who do not progress to the interview stage will be advised before interview invitations are sent.
