ASET results check request form

This form is for parent or carers who believe a marking error has occurred and wish to request a check of their child's reported Academic Selective Entrance Test (ASET) test results.

Results checks ensure that:

- scores reported for your child have been correctly matched to your child's name
- computer-marked answer sheets for the multiple-choice Reading Comprehension, Quantitative Reasoning and/or Abstract Reasoning tests have been correctly scanned and scored
- marking criteria for the Communicating Ideas in Writing test have been correctly applied to your child's work.

Please complete the details below.

In submitting this form, I acknowledge and agree as follows:

1. I believe an error has occurred in the marking and/or reporting of my child's ASET.
- The first round of offers for all programs will be based on my child's current ASET score.
- Results check outcomes will be emailed in early July, prior to the second round of offers.
- If an error is found, my child's scores may change.
- Updated scores will replace the original scores and may affect current placements or future offers.
- All results check outcomes are final and cannot be withdrawn or cancelled if the outcome is unfavourable.
- Reports of illness, incidents, or misadventure (including misalignment) will not be considered as part of this process.
- This completed form must be emailed to gtsu@education.wa.edu.au with the subject line 'Results check' by **4 pm Monday 23 June 2025**.
