Where boarding means belonging

A home away from home for country students.

College life

We strive to provide a safe, secure and supportive place for your child to live, learn, have fun and feel at home.

With space for up to 107 boarders, all students have their own room with boys and girls accommodated in separate wings with separate bathroom facilities. All students come together to enjoy meals in the dining room and there are a number of recreational areas offering opportunities to socialise.

Some students also choose to take on casual employment after school with local businesses.

A healthy mix of learning and fun.

Supervision

Your child will be supervised by qualified professional staff members. They are dedicated to creating a wonderful boarding experience for your child, helping to develop a healthy balance between study and recreation.

Working closely with you and your child's school, supervisors encourage a team approach to the care, wellbeing and school success of your child.

Supervisors facilitate regular study sessions and tutoring; support students' educational and sporting aspirations; and organise all sorts of recreational, leisure and social activities.

Weekends are relaxed, with plenty of opportunities for town leave for sport, shopping, excursions and other fun activities.

Access to quality education and new opportunities.

Recreation and facilities

There is never a shortage of things to do at Albany Residential College.

Your child will have access to our indoor recreation facility which has lots of space for students to gather, with table tennis, pool table, foosball, a gaming lounge and TV.

The college also has access to the Albany Senior High School football oval, basketball and netball courts and gym.

Fees

Residential colleges offer exceptional boarding with affordable fees.

Visit education.wa.edu.au/residential-colleges for fees and allowances information.
