Friday 30 June@ 5.00pm
- **College opens for Term 3, 2023,**
Sunday 16 July@ 3.00pm

Students and staff enjoying mini golf on Sunday.

Dear parents, carers, staff and students

Welcome back to Term 2. College Supervisors were busy over the term break as we all attended the Supervisory Conference in Perth with other staff from around the state. It was great to socialise and learn new ideas with other College staff. Some of the topics covered included understanding the effect of trauma, de-escalating in conflict situations, cyber safety, understanding our code of conduct and organising effective student activities.

The changeover to LPG gas is progressing and we hope to have all our showers back with hot water over the next fortnight. The dining and TV area should have air conditioning and heating running in a few days.

As you may already be aware, Ms Hearn will be in Narrogin as the Acting College Manager for term 2 and 3. Ms Swayn will be replacing Andrea as the Acting Senior Supervisor and Ms Lewis will be joining us full time as well. We have been very fortunate to have a stable staff group, with very few changes over a long time.

Please note there has been a spike in Covid cases throughout town and at the College. If you are positive and have symptoms, you are encouraged to go home to recover and to wear a mask. The College has a surplus of Covid tests and masks and if any families would like any of these, please see staff when your next in the College.

Please note we have two tutors here on Monday and Wednesday evenings and students can access any work on our College computers. We strongly encourage students to make the most of these opportunities.
