

Narrogin Residential College

Term 1 Newsletter 2023

Dear parents, carers and staff

Only one term down but it has been a very full one!

- Narrogin Speedway
- NSHS Ball
- Betty Terry Theatre Wagin – several times
- Wagin Woolorama
- 'Wheatbelt Cup' against Moora & Northam at Northam – cancelled the day before due to a storm front coming through with lightening, cancelling the use of the outdoor waterslides at the recreation centre.
- Youth Art Workshops
- Railway Dam explore/walk
- Celebrating many different cultural days

Term 2 will be just as busy as we have basketball and netball as added activities.

There has been a spike in Covid cases at the college and in most towns in the area. The college has a surplus of tests and masks so there is no need to provide your own.

As you may be aware I will be on Leave for Term 2 & 3, Ms Andrea Hearn from Esperance Residential College will be Acting Manager and is a very approachable person.

MCS Mel Browne is also taking Leave to a higher position for 6 months. Mrs Lynne Hurley and Ms Leonie Ioppolo will share the MCS position. These ladies will help you with any financial queries you may have. Enjoy the school holidays with your families.
Renee Browne College Manager
