Triple P - Positive Parenting Program

Get support, information and tips to give your child the best start in life.

Triple P gives you simple, practical strategies to help you raise happy and confident children. Attend a free session near you, or talk to your school about how they can provide a free seminar for your school community.

Children thrive when they are raised in a nurturing environment

The early years are so important. Triple P gives mums and dads ideas on how to help their child develop the skills and behaviours they need for a healthy childhood.

Learn proven strategies from trained facilitators to:

- raise happy, confident children
- manage misbehaviour so everyone in the family enjoys life
- set rules and routines that everyone respects
- encourage behaviour you like
- take care of yourself as a parent.
