

GAT Enrolment Approval for Overseas / Interstate Applicants

Residency eligibility criteria for students new or returning to WA

Overview

Participation in Gifted and Talented Secondary Selective Entrance programs is available to identified WA Students. Overseas/Interstate (OSIS) families who plan to return/relocate to WA are also able to apply, however they are required to provide the Gifted and Talented Selection Unit (GTSU) with supporting information to confirm their eligibility prior to enrolling at the school. This applies to returning Australian Citizens, returning Permanent Residents and any other Visa category which qualifies a child for enrolment in a WA public school.

Eligibility Criteria

Gifted and Talented program applicants who identify as OSIS at the time of application will only be able to enrol at their offered program school if they can provide:

1. Details of a primary carer* who will provide appropriate welfare and accommodation in WA for the duration of the applicant's secondary schooling.
2. Proof of a WA residential address connected to the stated primary carer that will be the child's *usual place of residence* while at secondary school.
3. Proof of qualifying Visa, Permanent Residency, Returning Residency or Australian/New Zealand Citizenship for *both* applicant and primary carer.

**The primary carer must be either a parent or blood relative over the age of 21 living in Western Australia who will provide appropriate welfare for the child for the duration of their secondary schooling.*

All OSIS Gifted and Talented program enrolments will be subject to the ability to meet the eligibility criteria. In the event any one of the three essential criteria cannot reasonably be met, the child's Gifted and Talented placement will lapse and the placement offered to the next suitable applicant.

For families unable to provide a piece of supporting evidence, GTSU will consider the particular circumstances. A statutory declaration may be accepted as sufficient evidence where a WA address cannot yet be supplied (a maximum of three pieces of evidence may be requested for proof of a WA usual place of residence).
