WELCOME TO NARROGIN RESIDENTIAL COLLEGE

Thank you for choosing Narrogin Residential College for your child.

We look forward to working with you to support our students and watch them grow over the years to come. All college staff are committed to providing a safe and caring environment to support your child in their education and personal development.

We aim to provide a high-quality boarding service which is valued by you and your children. Your suggestions on how we can improve our service are always welcome.

About us

Narrogin Residential College, founded in 1963, is located 190kms south-east of Perth. Narrogin is a key regional centre for the central south wheat belt agricultural region. With a good selection of cafes, accommodation, farm stays, heritage buildings, art gallery and walking trails, Narrogin is a commercial centre with modern facilities including a heated indoor swimming pool and a regional hospital.

The Residential College provides a Boarding component to Narrogin Senior High School (NSHS). We work hand in hand to provide an excellent “Boarding School” service for the region, traveling together, visiting our feeder schools and attending local Field Days. Staff maintain open communication channels and support and inform each other on matters pertaining to academic, pastoral and discipline matters. The College has regular and ongoing access to school teaching staff and support staff.

Our staff

Residential college staff comprise of a supervisory team and a support team, both of which report to the College Manager. The College Manager reports to the Manager Residential Colleges in the Department of Education in Perth.

Supervisory staff hold various qualifications including:

- Certificate IV in Community Services – Student Residential Care
- First Aid Certificate (including CPR)
- Surf Rescue Certificate
- Aquatic Rescue for Group 3 Pool Award
- LR Class Driver’s Licence with passenger transport driver (PTD) authorisation.

College governance

Narrogin Residential College is governed by the *School Education Act 1999* and is administered by the Western Australian Department of Education. The College Manager works with staff to develop local processes in line with Department of Education policies and procedures.

All Department of Education policies can be viewed at www.det.wa.edu.au/policies.

Local Input Networking and Communications (LINC) Committee

Supporting Narrogin Residential College is our local input networking and communications (LINC) committee. Membership is comprised of parent, community member and staff representatives.

The functions of the LINC committee are set through legislation and include the provision of advice to the college manager regarding the operation and management of the college. Please speak with us if you would like to join this important advisory group.

Student Representative Council

Our Student Representative Council is formed through a nomination process. Students who wish to join the council are invited to nominate themselves, and final selections are made by supervisory staff.

Members of the council are responsible for planning student-focused initiatives throughout the year and acting as a voice for their peers. They are expected to demonstrate positive behaviour, serve as role models within the College, and uphold our community values.

Participation in the council provides a valuable opportunity for boarders to develop leadership skills, build confidence, and make meaningful contributions to College life.

Our code of conduct

The Residential College Code of Conduct (the Code), reproduced in the Appendix, sets out some simple expectations for students:

- In respect to self
- In respect to other students
- In respect to staff
- In respect to property.

When signing the Boarding Agreement for your child, you are undertaking that your child will comply with the Code.

When your child signs the Boarding Agreement, they agree they have read, understood, and will follow the Code; and understand that there may be consequences for breaches.

Positive Behaviour Support (PBS) Program

We are committed to the PBS program which supports the implementation of the Department of Education's Student Behaviour in Public Schools Policy and Procedures. Our goal is to create a safe, positive environment where students are engaged and successful.

The Positive Behaviour Support (PBS) Program rewards positive behaviour at the College. The objective is to reward often and advise the student of the behaviour being recognised. The philosophy behind the PBS Program is that when students are rewarded for positive behaviour, negative behaviours will be reduced.

COSTS AND CHARGES

Annual boarding fee

The boarding fee covers a student’s bed, meals, facilities, and pastoral care. It applies to all Department of Education Residential Colleges and is the same for all year levels.

Refer to our website <https://www.education.wa.edu.au/web/narroginresidentialcollege> for the latest information on costs and charges.

Bond

A \$300 bond is required as part of the boarding agreement. The bond is security for the performance of your obligations under the agreement. It may be used to compensate the residential college for any outstanding costs or for repairing damage a student may cause to college property. At the completion of the boarding agreement the balance of the \$300 will be returned to you.

Other costs – individual services

The residential college recovers the cost of providing individual services to students such as the purchase of required medications and participation in optional organised activities.

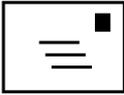

Payment

By accepting a place at the college and signing the Boarding Agreement you agree to:

- Pay the invoiced amount for accommodation and individual services each year.
- Complete required payments prior to the first day of term.
- Pay any outstanding amounts if the Boarding Agreement is terminated.

Please contact the college if you would like to consider [Centrepay](#) as a payment option.

Please refer to the residential college’s website <https://www.education.wa.edu.au/residential-colleges> for the latest information on fees and allowances.

LEARNING SUPPORT

The main reason a student boards with us is their desire to access a quality education. At *Narrogin Residential College* we support students to achieve their academic goals.

Please note that residential college staff are not authorised to sign school documentation on parents' behalf. Should a student receive a school form or permission slip, you will need to sign and return to the school.

Homework and study

Students are invited to practise sound study habits and be respectful of other students' needs for a distraction free environment. The college study times are:

Monday – Thursday & Sunday: 7.00pm – 8.00pm

Students are expected to work constructively during these study times and may need to dedicate extra effort outside of these times to complete all academic requirements. Students without set homework on any given day are required to remain focused during study time on other tasks such as revision, recreational reading, writing, or other supervisor approved recreational activity of their choice.

Term 3 school holidays ATAR exams

Some ATAR exams take place during the Term 3 school holiday period. With sufficient advanced notice, we may be able to arrange a modified boarding service during this time to facilitate those students requiring accommodation in order to attend exams. Please request this service by the first day of Term 3 should you require it.

Music practice

Students have access to the karaoke/music room as well as a piano and organ and can play/practise in their free time. The college will transport a student to their music practise if having private lessons.

Tutoring

If students require additional help with their schooling, they should always avail themselves of the school programs on offer. If students are unable to attend these, or if what is offered by the school and college is not sufficient, you may consider engaging a private tutor. Private tutoring costs are not covered by student boarding fees, college staff will assist in finding a suitable place for private tutoring to occur. Tutors that come to the college must have a current Working with Children Card

Where possible the college will provide tutors for group study.

Computers and internet access

College internet is set up for students to be able to study and research their required schoolwork.

The college has Junior and Senior computer rooms for student use. There is Wi-Fi in the student dorm areas.

There is also scope for students to use the network for reasonable personal use. Students are discouraged from using the college network for online gaming and/or streaming which may slow user speeds for others.

To access college internet, you and your child will sign an online services acceptable use agreement setting out rules surrounding Department of Education-provided online services.

Extended school absences

We provide a boarding service for students while they attend, and participate in an educational programme of, a school. If your child is expected to be absent from school for an extended period, they will be required to return home until they are able to resume their schooling.

Reasons that students may be absent from school and required to return home include:

- they have been suspended from school
- they have an infectious disease such as flu or COVID-19
- they have a long-term illness/injury.

If you are unable to collect your child, you may alternatively arrange for their travel home by other means or arrange for them to stay with a local contact or guardian.

Students absent from school for short periods of time due to illness will be confined to the colleges' sick bay

Student property

Insurance

The Department of Education does not have insurance cover for student property that is lost, stolen or damaged.

Security

Please ensure your child's personal property including clothing and bedding is clearly and permanently labelled or marked for easy identification.

The college takes precautions to care for your child's personal belongings and will assist where possible with lost, damaged or stolen items, however, we are unable to accept responsibility for these items.

Bicycles, scooters and skateboards

All personal equipment including sports equipment is to be stored in the allocated locked store/sports room and NOT in the dormitories.

Parents' permission is required to use a college bicycle. Students must always use the appropriate protective equipment.

Please note that eRideables are not permitted on residential college sites.

Inappropriate items

Students are not to bring offensive material into the residential college. Neither are they to display inappropriate material in their room. If in doubt, students can check with college staff who will indicate if it is acceptable. College staff may confiscate items deemed offensive, inappropriate or in poor taste, and students will be asked to take the item home.

Student room searches

To ensure the health and safety of students, college staff may search student rooms if they have sufficient reason to do so. Room searches may occur for many reasons, including when staff believe:

- a student is at risk of self-harm
- dangerous or banned items or illegal substances may be in the college
- a student may be in possession of stolen property.

Confiscated items will generally be given to you or returned to your child to take home, unless it has been delivered into the custody of the Police.

Student mail

We may contact you if your child receives mail/delivery that we believe looks suspicious or may contain contraband. We may ask your child to open the package in front of a staff member, or we may choose to provide the unopened package to you, but we will not open it.

What not to bring

The college does not allow any items which could potentially cause danger to students, staff and/or property. This includes, but is not limited to, candles; matches/lighters; diffusers; weapons; aerosol cans; electric blankets; heaters; fridges; electric ovens; and televisions.

We have a wide range of game consoles and other equipment for students to enjoy, including pool tables and table tennis, so students are asked to not bring their game consoles to the college.

LEAVE ARRANGEMENTS

A record of students' whereabouts is maintained through the Reach Boarding school software. When leaving and returning to the college, students must **'sign out'** and **'sign in'** through the Reach system. Leave requests must be entered into and approved through Reach.

Leave while under college care

Different leave arrangements enable students to participate in a range of sporting, cultural and social activities held outside school hours and away from the residential college.

Leaving residential college grounds

Except when leaving to attend school, students must receive permission from a supervisor before leaving the residential college grounds.

Supervisors may revoke approval to leave the college grounds for disciplinary reasons.

'Town leave'

With your permission, students may be provided leave in groups of 2 or more to visit the town centre on set days each week.

Students have town leave after school throughout the week. Years 11 and 12 Tuesday & Thursday. Year 7 – 10 students have town leave on Wednesday. All students have town leave on Saturday and Sunday. All students need to sign out when they leave the college and sign in on return.

Students with sporting or other organised commitments on their assigned day will be allowed to go on another day. All leave concludes at 5.00pm weekdays.

- Students can only take town leave in pairs or more, and for safety reasons are to have a mobile phone with them.

Weather permitting, students are encouraged to walk to town. The college bus is not always available, but can be made available in extreme weather conditions

There is often no direct supervision during this leave, and students are expected to be an ambassador of the residential college and behave in line with the Code of Conduct.

Casual Employment Leave

After consultation between parents, the student and the college manager, your child may be provided an opportunity to undertake a limited amount of casual employment. While the college may be able to assist with transportation on occasions, this may not always be possible, and parents should ensure alternative transport options are available.

Leave under another's care

Students are provided with seven-day care throughout the school term, however, we do support and encourage students to spend time with family and friends wherever possible.

College staff have a duty of care to protect students from risk of harm. We may refuse a leave request or refuse to release a student where leave has previously been approved, if we consider the host may pose a risk to your child.

If your child is unable to return on schedule, please contact college staff to let them know when they will be returning.

All students on leave with a host should return by 7pm on Sun – Thurs, 9:00pm on Friday and Saturday.

Reach Boarding School System

Narrogin Residential College uses Reach boarding school software.

Reach is designed to make leave requests and other residential college procedures accurate, easy to use and always available.

At the beginning of your child's residency at the college they will be assigned a profile on Reach and shown how to use the system. Parents also will be assigned a profile which will allow you to log into the portal and arrange for and approve your child's leave. You may choose to download the Reach app which provides similar functionality.

If you have any issues or queries about Reach, please don't hesitate to contact college staff or the REACH support team at <https://reach.cloud/boarding-schools/>.

Sign out ('host') list

You can add any number of trusted adults ('hosts') into Reach that you can approve your child to go on leave with. It is recommended for ease of use to pre-load Reach with as many 'hosts' as possible to eliminate the need to enter all the details each time a leave request is submitted.

Leave requests

Leave requests are fully automated in Reach. Once a leave request has been submitted, a sequence of permissions is required from parents and college staff for leave to be approved.

A minimum of 24 hours' notice of your child's leave plans are required unless there are exceptional circumstances. This allows us to better plan for and cater to all students at the college.

'Day leave'

Students can go on day leave on the weekend and at various times during the week but must return to the college by 7:30pm Sunday – Thursday and 9:15pm on Friday and Saturday.

Permission from the parent/carer is always required before a student can go on Leave.

Students can only be signed out by hosts over the age of 18. Hosts must be entered into REACH and may have to provide photo ID.

'Overnight leave'

Students are permitted weekend overnight leave to return home or spend the weekend away from the college.

Overnight leave on a school night is discouraged and generally will only be granted for school purposes or to stay with parents or immediate family.

STUDENT TRANSPORT

Residential college vehicles

Narrogin Residential College maintains vehicles which supervisors use to transport students. Staff transporting students have appropriate driving licences and passenger transport driver (PTD) authorisations.

The college may provide transport for students in and around town where practicable, however, this service may not always be available.

Private motor vehicles

Your child is not permitted to travel in a private vehicle unless signed out with an approved host through Reach.

Your child will not travel in the personal private vehicle of a residential college staff member unless this is considered to be the best course of action in an exceptional circumstance.

Student motor vehicles

Students are only permitted to use their own vehicle for transport between the college and home.

Students must:

- complete a Student Vehicle Application form and Application to Drive a Passenger (if applicable) receive permission from the College Manager and Parents
- provide a copy of driver's license to be kept on file
- understand that vehicles are parked at the college at the car owners' risk
- surrender car keys to staff when onsite
- only use vehicle for travel to and from home (as per agreement)
- not carry passengers at any time (as per agreement, exceptions for siblings only).

Having a vehicle at the college is a privilege and not a requirement and hence this privilege may be revoked at any time.

Bedrooms

Students are provided with their own bedroom, and this is primarily a room for sleeping, storing belongings and as personal space should a student wish to spend some time away from others. Students are responsible for keeping their bedrooms clean and tidy and staff may inspect rooms regularly to ensure this is the case.

Bedrooms are not for socialising in. The college provides multiple common areas for students to socialise with bedrooms not to be used for this purpose.

It is a requirement of students that they do not enter another student's bedroom – a rare exception being that a student may invite 1 other student into their bedroom briefly, while keeping their door wide open, when there is a good reason for them to do so. This exception does not apply after lights out when all students are required to be in their own bedrooms.

Dress code

Students should be mindful that CCTV is situated throughout the college, and that a supervisor of a different gender may need to access their dormitory at any time. Other than while using the showers/bathrooms, students are to be fully and appropriately dressed while outside of their bedrooms. This includes at breakfast time when it may be tempting to instead wear pyjamas which are not permitted.

Meals

Narrogin Residential College supports healthy eating in line with the Department's Student Health in Public Schools policy and procedures.

The college supports and will cater for any medical or religious dietary requirements. The kitchen staff can also prepare vegetarian and gluten free options where required, please advise us of any special dietary needs. Students can speak with college staff and the chef to suggest additions to the menu.

We aim to ensure all students enjoy three healthy meals every day, attendance at mealtimes is required.

Meal requirements outside of regular mealtimes

Fruit, water, and hot drinks are available at any time.

Students can order a late, packed or early meal if they will not be present at a mealtime (e.g. for sports training or medical appointments). In most instances staff will be able to arrange these meals, but students should plan ahead and notify staff if they need one. Meals must be consumed in the dining room and are not to be taken into student bedrooms or common areas.

Personal food and snacks

Food snacks can be purchased or sent from home but for hygiene reasons are best kept in sealed containers. Energy drinks, caffeinated drinks and chewing gum are banned from the college.

Recreation and Social

We aim to provide a range of activities while also allowing for individual needs. Here are some of our facilities and activities on offer to our students.

- A large fully equipped gym
- Swimming pool
- Basketball/Netball indoor/outdoor courts
- Indoor recreation room with pool table, table tennis, air hockey
- A drop-down projector screen for movie nights
- In winter, an outside fire pit

Please note that charges may apply to some activities. We do not seek to profit from these events and your child's participation in any activity requiring payment is at your discretion.

Sport and hobbies

Students are encouraged to participate in a range of individual and team sports and hobbies according to their interests. We do this to promote fitness, fun and social interaction.

- The college organises a wide variety of fun activities throughout the year.
- Details of local sporting clubs and associations can be supplied by college staff if required.
- Students will need to meet the cost of any membership fees, personal equipment and uniforms.

The college welcomes suggestions for activities from students and parents, and we will endeavour to accommodate all reasonable requests.

Camps and outings

The college may organise camps and outings throughout the year. These activities are voluntary and there is no obligation for your child to participate. You will be asked to provide written permission for your child to attend.

Swimming pool, recreation room and gym facilities

Students are encouraged to make good use of college facilities. Students are expected to look after the equipment and observe the user requirements on display

HEALTH AND SAFETY

Student health

Our staff care for your child's health and wellbeing and all supervisors have a First Aid Certificate. When we offer a place at the college, you are required to complete a **Student Health Care Summary Form** ensuring staff have the information required to support the management of your child's health care needs.

If your child's health changes at any time, it is essential you inform our staff.

Unwell students

Students who are too sick to go to school will be confined to bed in the sick bay. College staff will contact you and your child's school to notify them of the absence. If a doctor's appointment is necessary, we can organise this for you.

For the protection of all students and staff, any child with symptoms of an infectious disease (e.g. COVID-19, influenza, chicken pox, measles) must return home until they are no longer contagious. If your child is not able to attend school because they are unwell, then they will be required to return home.

Medical appointments

We work with all our families to help maintain the health of students. Please advise us if your child requires a medical appointment and we may be able to assist you. Please advise the college on the Student Health Care Summary Form if you have any preferred local medical practice.

All medical expenses remain the responsibility of parents. You may choose to take out insurance, including ambulance cover, for your child's health needs.

Cancellation of ambulance call-out by parents

We have a duty of care for our students. If we call an ambulance for a student at risk, but parents request its cancellation, we will not do so until parents arrive, and the student is handed into their care.

Medication

'Medication' includes those that are prescribed, purchased 'over the counter' and those that may be considered supplements. Examples include Panadol, Nurofen, antibiotics, anti-anxiety medications, melatonin, Ritalin or other medications used to treat ADD/ADHD, birth control, herbal remedies, iron tablets, vitamins and hay fever/allergy relief.

Medications carry inherent risk – both to the individual they are prescribed for, and to others. For the safety of all, students are not permitted to keep any medications in their bedrooms and/or to self-administer, unless approved by the College Manager.

Whenever a student requires medication, it must be administered and recorded by our staff. While our staff will be able to assist with most medications, this may not be possible for every medication.

If your child requires medication as a short or long-term measure, you are required to complete an administration of medication form.

To ensure medications and dosages are appropriate, we require all medications to be provided to the college in a webster pack. Your local chemist/pharmacy will be able to do this for you.

For those medications which cannot be supplied in a webster pack, the college may require confirmation from a doctor or pharmacist that it is medically required along with written instructions as to the dosage and how it is to be administered.

If the college is unable to assist your child with a specific medication, your child may be required to return home until such time as the medication is no longer required.

Mental Health

Our supervisors keep a close watch on the mental health of students. We also have support from a school psychologist who works with students and staff to improve student wellbeing. Students can make an appointment with the school psychologist through the supervisory team. Parents are also able to request this service for their children.

Students and parents may also be able to avail themselves of mental health supports through their school and/or other community services.

It is essential you keep the college informed of any developments in your child's home or personal life so that we can best provide and care for your child. This includes information about your child's wellbeing, which may include such concerns as bullying, friendship issues, suicidal behaviour, suicidal ideation and non-suicidal self-injury (NSSI).

Collaborating and sharing information with the residential college and fostering open communication between parents, the school and the college is essential in supporting the safety and wellbeing of all students.

Homesickness and 'child sickness'

It is possible that students may become homesick when living away from home. Staff have a great deal of experience in assisting students and parents when students show signs of missing home.

Homesickness can affect each student in different ways so there are several methods used by staff to support and care for students. Staff work with you to help your child with coping skills and to build resilience in living in a boarding community.

Similarly, parents may become 'child sick' when they don't get to see their child every day. These are all very normal feelings for the whole family.

Emergencies and accidents

The college maintains an Incident Management Plan to guide aspects of prevention, preparedness, response, and recovery. We regularly practise evacuation and lockdown drills.

Fire Safety

Narrogin Residential College is listed on the Department of Fire and Emergency Services Bushfire Zone Register. Accordingly, we have a separate and stand-alone bushfire plan and practise further evacuation drills during bushfire season.

The college has fire alarms, smoke detectors, fire extinguishers, and emergency evacuation plans. Students are trained in emergency evacuation procedures and practise evacuation drills regularly.

The Department of Fire and Emergency Services may charge a fee to attend premises in response to an alarm where there is no fire. Where it can be established a student has deliberately caused a false fire alarm, they may be asked to contribute to the costs of the callout.
