NARROGIN RESIDENTIAL COLLEGE PRESENTATION DAY

20 October saw the college partake in its annual Presentation afternoon. Student achievements and sporting abilities are recognised and our Year 12's are farewelled.

Our College Prefects for 2018 are: Head Boy - Ben Battley, Head Girl - Scarlett Gee, Deputy Head Boy - Marshall Bowey and Deputy Head Girl - Johanna Reynders.

Ms Pam Moss - Assistant Executive Director, Statewide Planning and Delivery, Department of Education, spoke on the movement of Colleges into the Education Department and how things will look for the future.

Our Guest Speaker was Mrs Mel Browne who spoke of her experiences while doing the 9 day Bright Blue Gibb River Postie Bike Ride earlier this year. (Hence the blue tutu)!

Mel is a very experienced bike rider but even she will admit that this ride was the most challenging ride she has ever done.

The Gibb River Ride is a charity event to raise money for sick children. Their mission is to find a cure for Neuroblastoma.
